### Objectives of the club

- i. To be "at the heart of society, delivering sustainable development through knowledge, skills and professional expertise."
- ii. to enhance the image of the Civil Engineer through the organisation of major events.
- iii. to promote social and sporting activities amongst Civil Engineers and their families.
- iv. to give retired Members of the Institution the opportunity for maintaining friendships established during their professional life.

Our aim is to provide a range of activities which broaden the skills and interest of members and provide an opportunity to meet other Civil Engineers outside their usual professional life.
