## Objectives of the club

i. To be "at the heart of society, delivering sustainable development through knowledge, skills and professional expertise."

ii. to enhance the image of the Civil Engineer through the organisation of major events.

iii. to promote social and sporting activities amongst Civil Engineers and their families.

iv. to give retired Members of the Institution the opportunity for maintaining friendships established during their professional life.

To provide a range of activities which broaden the skills and interest of members and provide an opportunity to meet other Civil Engineers outside their usual professional life.

### Annual General Meeting

14 April at 5.00 pm at ICE, One Great George Street, SW1P3AA.

### Motoring

The Motoring section runs a wide variety of events:

Visits to hill climbs at Loton Park and Shelsley Walsh Speed Hill Climb.

Formula 1 factories and races, both in UK and abroad.

We put up a few volunteer marshals at a limited number of rallies as well as a couple of Greenpower events.

We will be attending a number of trackdays at Anglesey, Oulton Park and Donington.

We have run treasure hunts, organised armchair racing, competed in a global Fridgeplay and joined in a Beaujolais run.

We will also attend various Rallycross and Greenpower events.

Dates to be announced.
